## Chairman's Corner

### October 2009

Our first event of the 2009-2010 season was a great success. I was excited to see our returning members as well as many new faces. I hope that many of you were able to meet our Board of Directors, some who are new to the Board this year. Also, a big thank you to our September Event speaker, Bikash Chatterjee, who spoke on "The Impact of the New Process Validation Guidance On Your Approach to Quality Assurance." The event was well attended and members sound excited for more events to come.

Our next gathering will be a networking event on October 15<sup>th</sup> at Pyramid Brewery in Berkeley. This will be the first networking event of the season and will even include a tour of the brewery and a brief discussion on how beer is made! This event will not be a dinner meeting but rather a chance for our members to enjoy an evening of appetizers, drinks, and socializing. Please go to the link on our website to sign up.

Coming in November, we will be having our dinner event at Spenger's in Berkeley. The topic for November will be on how two different companies approached the new regulations for ISO 9001 (2008) / ISO 13485. More information regarding this event to come. Until then, see you at Pyramid Brewery on October 15<sup>th</sup>!
