Chairman's Corner

December 2009

November's Event, "The Simple and the Not So Simple – What to Expect from the Transition to ISO 9001:2008," was a great success! Presented by Board Members Dawn Plaskon and Arlene Kadrich, the event was held at Spenger's Fish Restaurant in Berkeley. Our members braved bad traffic to arrive at the event but were treated to wonderful food and good times sharing stories and learning from Dawn and Arlene as they provided examples of how to successfully prepare for and navigate an audit as well as details of how companies fail them.

As mentioned previously, there will be no event for December. On **Wednesday**, January 20th, we resume our dinner meetings with David Gill, who will be presenting on the topic of Company Social Responsibilities. The January Event will be held at Scott's Seafood in Jack London Square. **Please note that this meeting will occur on a Wednesday.**

In February, we are planning a networking event, possibly having a joint event with the San Francisco and Silicon Valley Sections if we can coordinate the details with the other sections. More details to follow in the near future. Details will follow in the near future. In the meantime, please use [Acteva](#) to sign up for the January event!

On behalf of the East Bay Section's Board of Directors, we sincerely wish everyone safe and happy holidays. Have a Happy New Year and hope to see you in January at Scott's Seafood!
