Chairman's Corner

September 2009

I would like to extend a hearty welcome to our new and returning members to the ASQ East Bay 0618 2009-2010 season! We have many new Board of Directors joining us this season as well as much of last year's Board returning for this year.

I am very happy to be the chair this season and I'm hoping to make this year rewarding, informative, and fun. Our first event will be at Scott's Seafood on September 24th. Our guest speaker will be Bikash Chatterjee from Pharmatech Associates. Mr. Chatterjee will be speaking on the "Impact of New Process Validation Guidance on Your Approach to Quality Assurance."

Next month we are planning a Networking Event. As networking events proved very popular in the past, we are planning on having more this season. Our first Networking Event will be at Pyramid Brewery in Berkeley. More information for the event will be announced next month!
